

Supporting Trust & Foundation Schools

Trust School Partner Information Session

This group session is for individuals within an organisation wishing to find out more about Trust Schools and how they can get involved as a potential trustee.

Key benefits:

- Access to experts who have direct experience of working with trust schools.
- All participants will gain access to the trust partner e-network and events. A forum to ask questions, share ideas and access advice.
- All participants will receive the trustee handbook publications.
- Access to follow up training tailored to meet the individual needs once the volunteer has committed to the role of a trustee.

Aims of the session:

- To give an overview of what a trust school is and the role of a trustee.
- To give participants access to operational trusts through case studies and scenario discussions.
- Facilitate access to resources, advice and further support.

The seminar will cover a range of topics including:

- What is a Trust School?
- What is involved and the benefits?
- Case study of an open trust school
- An opportunity for questions
- Next steps

The session length is flexible but will usually last around 1.5 hours and will be delivered at a convenient time and location dependant on your needs.
