

The Trustee Training Programme

The trustee training programme provides a clear and concise training session for trustees of trust schools. All services can be tailored to the specific needs of the trust, offering a truly customised solution.

Key benefits to trust boards:

- Access to experts who have direct experience of working with trust schools.
- All trustees participating get access to the trust partner e-network and events. A forum to ask questions, share ideas and access advice.
- All trustees participating in the training will receive the trustee handbook publications.
- Access to follow up training tailored to meet the individual needs and priorities of the school.

Aims of the trustee training:

- To give trustees an introduction to their role within school.
- To enable trustees to understand the interaction between the trust board, governing body and the school/s and the role they have in supporting these areas.
- To give trustees access to operational trusts through case studies and scenario discussions.
- Facilitate access to resources, advice and further support.

The seminar will cover a range of topics including:

- What is a charitable trust?
- The memorandum and articles of association
- Duties of a trustee: compliance, prudence and duty of care.
- Governance and regulation of a trust.
- Liabilities and insurance.
- Conflicts of interest and trustee benefits.
- Equality duties of a trust
- Working in partnership with the governing body
- Identifying and appointing governors
